WHAT?

This side-event will give the floor to key stakeholders groups including IPLCs, youth, local and subnational governments, the private sector and finance, the Convention on Biological Diversity (CBD) Secretariat and its Parties.

It will aim at sharing their recipe for success and showcase strategic methodologies in building their capacity and driving transformative actions inside the CBD arena and beyond, where the world of biodiversity negotiations ends and policy implementation starts. The conversation will be moderated by Hugo Rivera Mendoza, Team Leader of the Post 2020 Biodiversity Framework – EU support project.
